

Level 5 Trauma Centres
Call **1-877-872-6247**

- Level 3 Trauma Centres**
- Consider resources available to manage patient locally
 - If the patient requires transfer **OR** if there are any questions surrounding resource availability, call **1-877-872-6247**

If the patient is being transferred to another Trauma Centre review the Trauma Transfer Checklist prior to transfer.

Consultation with the Trauma Control Physician is always welcome for any patient with potentially qualifying injuries, even if only to discuss the potential need for transfer.
